WHO WE ARE

Rebuilders Ministry is a Congolese registered non profit Christian organization addressing spiritual, socio-economic and educational challenges in DRC.

OUR VISION

To see Congolese people reconciled and prospering for God's glory.

OUR MISSION

To Cause holistic transformation through peace building and economic empowerment in order to rebuild broken lives, families and destroyed infrastructures in the war-torn DRC.

OUR MINISTRY FOCUS

- Evangelism, discipleship, and church planting
- Peace and reconciliation among warring communities
- Vocational trainings for Community transformation
- Child sponsorship for orphans
- Humanitarian assistance through food donation and medical assistance
- Agropastoral project for food security for internally displaced people
- Economic empowerment of the most vulnerable through grants and loans
- Rebuilding destroyed infrastructures such as churches, schools and medical centers
- Fighting gender-based violence and basic diseases
- Addressing social justice and environmental issues, etc.
