

## **BUILD SCHOOLS IN THE CONGO // TRANSFORM LIVES**

The Presbyterian Church of the DR Congo (CPC) runs more than 800 primary & secondary schools. 79% of these schools are made of mud & thatch or deteriorated brick and tin. It is critical to rebuild the fragile schools into dry, safe buildings made of durable materials. **Build Congo Schools**, a coalition of caring churches, organizations and individuals, is bringing amazing change to the Congo by funding: 1) Durable Schools, 2) Teacher Training, 3) Books, 4) Scholarships and 5) Motorcycles for School Supervisors. **Become a school transformer -- donate to [buildcongoschools.org](http://buildcongoschools.org).**

### **Empower Congo's Students with New Schools**

**Before - Zapozapo School**

Schools educate 436 students
